Agenda

Exchanging with the delegates of the participating initiatives / countries

(For information: The board of the Hamburg Basic Income Network has decided on Tuesday 17th of June) to take in charge the coordination of applying for and - in case of acceptance - of setting up the planned project within the EU-program “Europe for Citizens”. Deadline for application is the 1st of September.

That means we will discuss on the basis of an already sent application (which will have been prepared in the meantime with the interested people.)
