

Dear Klaus,

Many thanks for your on-going support of UBI-Europe as it has been evolving this past year. We are now at the point of turning our informal network for basic income into an international non-profit association (AISBL) based in Brussels.

This means that we need to clarify who wants to be a member, and who wants to be more actively involved with our work. As you may already be aware, the main requirement for being a member of UBI-Europe is to agree with our Charter (copied below).

If you would like to join us in this new effort please fill in this form and click you that agree with the Charter:

If you want to get more actively involved, a separate field will pop up to let us know how you would like help. We would welcome your participation in our activities.

If you would like to request membership as an organisation, please let us know by email.

Also a big thank you to all those who generously responded to our pleas for donations over the past few months! Some money however is still needed for the AISBL and more still to help organise the Maribor events; any amount you can spare would be much appreciated. <http://basicincome-europe.org/donate/>

Let's make this an even bigger year for basic income in Europe!

Yours unconditionally,

Marlies Kunnen
