

Dear friends!

- We would like to inform you, that our **ECI „START Unconditional Basic Income) is asked for registration** on 16th January 2020. We could not complete the registration, because In the Att. 1 you see, that we were not aware, that we need for the registration an additional column with an official document (e.g. passport) as PDF (is best) as soon as possible, in order to complete the registration.

We would like to inform you that a EU-website gives an overview over all EU-Regulations for an ECI, about ECI-News and current ECI-Initiatives - in all EU-Languages.

(If our request for registration is accepted, also our ECI can be found under this LINK.)

- Decision for the LOGO (see minutes of the coordination team who has met on 13th January 2020):
Result of the questioning concerning the logo:
Some remarks have been made concerning stronger colour, etc., 13 acceptations. Ronald also remarked, that the correct should be with "Citizens' ". Ulrich thinks, it might not be so important, but no objection in general. Ly will inform Isaline to add the word. About the colour: if it is European blue, it is okay, otherwise it will be changed. Many thanks to Isaline for all the efforts and good work.
- We remind you, that all organizers are invited to the first monthly coordination team video chat meeting on **3rd February 2020 (9pm)**, The coordination team members have weekly meetings [each Monday 9pm]).
- We remind you, that you should fill in the tables, given in Att. A and Att. B. The improved dates for Austria are already given, including an Att. C1.
- We invite you again to our ECI meeting in Vienna (20.-21. [22.] March 2020) and include a participants list (see Att. I) and the proposed agenda (see Att. C). Please write us (Klaus, Ronald) and Ulrich Schachtschneider if you will be able to participate in this ECI meeting.
