

A Global Map of UBI Advocates and UBI Networks

*An Infrastructure Project for
Communication, Interaction and Collaboration of
UBI Advocates and UBI Networks*

(The map and the related data is supposed to be and will be publicly available.)

- **Goal :**
 - **Communication, Interaction and Collaboration**
 - **Exchange of UBI Advocacy related Information and Experiences**
 - Overview of UBI related activities **Worldwide**

- **How? :** → Implementation
 - Platform :
 - **Google Maps** (compatibility)
 - or
 - **Open Street Map** (open source)

- **Structure :**
 - Two Layers :
 - **UBI Networks** (*as the first step*)
 - **UBI Advocates**

Two-Layered Structure of the Global Map :

UBI Networks

(Not only networks with the sole purpose of advocating UBI, but also; all organizations (networks, foundations, platforms, political parties, working groups within political parties, societies, study groups, etc.), who are for-UBI are also very welcome.)

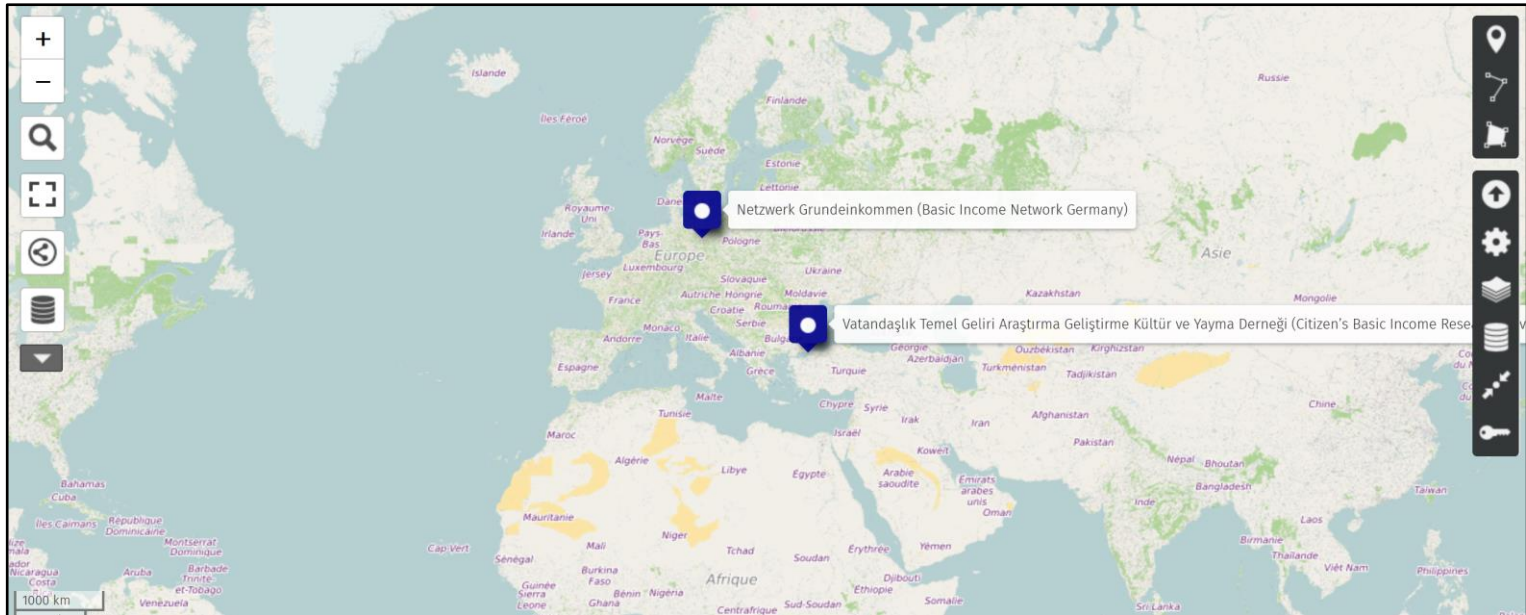

UBI Advocates

(Individuals; Activists, Academicians, Politicians and Supporters)
